Dnr HS 2026/1

Discontinuation of a course

The course Programming project in bioinformatics G2F, 7.5 credits (BI504G) is being phased out and will no longer be offered at the University of Skövde. The course was given for the last time in the autumn of 2025.

The course consists of three examination parts: Programming assignment 4 credits, Report 2.5 credits and Oral presentation 1 credit.

The following examinations are offered to students who have not completed the course:

Programming assignment 4 credits

Week 38, 2026-09-21

Week 51, 2026-12-14

Week 12, 2027-03-22

Report 2.5 credits

Week 38, 2026-09-21

Week 51, 2026-12-14

Week 12, 2027-03-22

Oral presentation 1 credit

Week 38, 2026-09-18

Week 50, 2026-12-11

Week 11, 2027-03-19

No further opportunities will be offered to complete the course, in addition to the above occasions.

The examiner is Benjamin Ulfenborg.

Course material is available via the learning platform in the Student portal

To participate in examinations, contact course coordinator and provide your email address no later than 2 weeks before the time of examination.

Instructions for submitting and conducting the oral presentation are available via the learning platform in the Student portal.
