Dnr HS 2026/1

Discontinuation of a course

The course Big Data Programming (IT739A) is being phased out and will no longer be offered at the University of Skövde. The course was given for the last time in the spring of 2026.

The course consists of two examination parts: Supervised written examination 5,5 credits and Individual assignment 2 credits.

The following examinations are offered to students who have not completed the course:

Supervised written examination 5.5 credits

26th of August, 2026

Week 47, 2026

Week 7 in 2027

Registration not later than 12th of August 2026

Registration not later than 1st of November 2026

Registration not later than 15th of January 2027

Individual assignment 2 credits

Week 36, 2026-09-04 (Friday)

Week 46, 2026-11-13 (Friday)

Week 6 in 2027, 2027-02-12 (Friday)

No further opportunities will be offered to complete the course, in addition to the above occasions.

The examiner is Richard Senington.

Date and time when the supervised written examination takes place will be shown in the scheduling system two months before the examination. TimeEdit is accessed at <https://student.his.se/en/service-and-support/about-examination/registration-examination-rooms/> and [Search examination](#). Please use the course code IT739A.

Registration for the examination should be made to Student Affairs Office, 0500-44 81 00, studentservice@his.se, at least two weeks before the examination date.

Instructions for the written assignment should be ordered from juhee.bae@his.se two weeks before the examination date and submitted for examination as directed to juhee.bae@his.se.

Contact information course coordinator: Juhee Bae, 0500 44 89 10 (only when available), email: juhee.bae@his.se.

The decision is made by the Curriculum Committee for Informatics on 21 of May 2026 after presentation by Subject Coordinator Jonas Gamalielsson.
