Dnr HS 2026/1

Discontinuation of a course

The course Master Degree Project in Biomedicine A1E, 30 credits (BM710A) is being phased out and will no longer be offered at the University of Skövde. The course was given for the last time in the autumn of 2025.

The course consists of five examination parts: Planning 3 credits, Methods 12 credits, Analysis and report 13 credits, Oral presentation 1.5 credits and Opposition 0.5 credit.

Contact the course coordinator six weeks before the first examination to establish an individual plan for the course completion and the examinations. A preliminary week for each occasion and examination are given below. Exact dates for each examination will be communicated to the student by the course coordinator in connection with the preparation of the individual plan.

Starting in the autumn of 2026, the following occasions are offered:

Occasion 1

Planning 3 credits – Week 37, 2026

Methods 12 credits – Week 46, 2026

Analysis and report 13 credits – Week 01, 2027

Oral presentation 1.5 credits – Week 02, 2027

Opposition 0.5 credit - Week 02, 2027

Occasion 2

Planning 3 credits – Week 40, 2026

Methods 12 credits – Week 49, 2026

Analysis and report 13 credits – Week 07, 2027

Oral presentation 1.5 credits – Week 08, 2027

Opposition 0.5 credit - Week 08, 2027

Starting in the autumn of 2027, the following occasions are offered:

Occasion 3

Planning 3 credits – Week 36, 2027

Methods 12 credits – Week 45, 2027

Analysis and report 13 credits – Week 01, 2028

Oral presentation 1.5 credits – Week 02, 2028

Opposition 0.5 credit - Week 02, 2028

Instructions for the examinations should be ordered from linda.handlin@his.se six weeks before the first examination (see preliminary weeks above).

No further opportunities will be offered to complete the course, in addition to the above occasions.

Responsible for the examination within the course is Ferenc Szekeres. The final project may be assigned a different examiner depending on the focus of the project.
