Curriculum Committee for Bioscience

Dnr HS 2022/1

## Discontinuation of a course

The course Stem Cell Biology G2F, 7,5 (BV510G) hp is phased out and will no longer be offered at the University of Skövde. The course was given for the last time autumn 2020.

The course consists of two exam parts: Supervised written examination 5 credits and Laboratory assignment, 2.5 credits.

The following occasions are offered to students who have not completed the course:

### Supervised written examination 5 credits:

12 September – 2 October 2022

13 February – 5 March 2023

5 June – 25 June 2023

Registration is made at the latest 15 August 2022

Registration is made at the latest 15 January 2023

Registration is made at the latest 15 May 2023

### Laboratory assignment 2.5 credits:

Week 26, 2022-06-30 and 2022-07-01

Instructions for the laboratory assignment is ordered from [matthew.herring@his.se](mailto:matthew.herring@his.se) two weeks before the examination.

No further opportunities will be offered to retake the course, in addition to the above occasions.

The examiner is Patric Nilsson.

Date and time when the supervised written examination takes place will be shown by the scheduling system [TimeEdit Högskolan i Skövde](#) approximately six weeks before the first possible date in each period. Please search for the examination by using the course code BV510G.

Registration for the examination should be made to Student Affairs Office, 0500-44 81 00, [studentservice@his.se](mailto:studentservice@his.se).
