Curriculum Committee for Engineering Science

Translation of decision

2023-10-12 Dnr HS 2023/1

Discontinuation of a course

The course CAD: Free-form and Skeleton Modeling G1F, 6 credits (IP342G) is being phased out and will no longer be offered at the University of Skövde. The course was given for the last time in the autumn of 2022.

The course consists of 2 examination parts: project presentation 1 credit and written assignment 5 credits.

The following examinations are offered to students who have not completed the course:

Written assignment 5 credits

Week 49, 2023-12-06

Week 09, 2024-02-27

Week 21, 2024-05-22

Project presentation 1 credit

Week 49, 2023-12-06

Week 09, 2024-02-27

Week 21, 2024-05-22

No further opportunities will be offered to complete the course, in addition to the above occasions.

The examiner is Johanna Höög.

Registration for the examination should be made by contacting course responsible Aitor Iriondo Pascual.

Instructions for the written assignment should be ordered from aitor.iriondo.pascual@his.se 1 week before the examination date and submitted for examination in Canvas or directed to johanna.hoog@his.se and aitor.iriondo.pascual@his.se.

Contact information course coordinator: Aitor Iriondo Pascual, 0500448760, aitor.iriondo.pascual@his.se.

The decision is made by the Curriculum Committee for Engineering Science on 12th October 2023 after presentation of Subject Coordinator Anna Brolin.
