Dnr HS 2026/1

## Discontinuation of a course

The course Introduction to Biomedicine G1N, 6.5 credits (BM139G) is being phased out and will no longer be offered at the University of Skövde. The course was given for the last time in the autumn of 2022.

The course consists of five examination parts: Group assignment 1 with oral presentation, 1 credit; Group assignment 2 with oral presentation, 1 credit; Group assignment 3 with oral presentation, 1,5 credits; Group assignment 4 with oral presentation, 2 credits and Laboratory assignment, 1 credit.

The following examinations are offered to students who have not completed the course. Note! If you took the course in the autumn of 2021 there are different examination parts, please contact the Course Coordinator.

### **Group assignment 1 with oral presentation, 1 credit**

Week 38 2026  
Week 43 2026  
Week 38 2027

### **Group assignment 2 with oral presentation, 1 credit**

Week 39 2026  
Week 43 2026  
Week 39 2027

### **Group assignment 3 with oral presentation, 1,5 credits**

Week 40 2026  
Week 44 2026  
Week 40 2027

### **Group assignment 4 with oral presentation, 2 credits**

Week 41 2026  
Week 44 2026  
Week 41 2027

## Laboratory assignment, 1 credit

For examinations consisting of laboratory assignment, the number of examination opportunities is limited to two occasions. For this course, all students have already been offered at least one occasion and therefore only one additional occasion will be offered in week 42 2026.

No further opportunities will be offered to complete the course, in addition to the above occasions.

The Examiner is Katarina Ejeskär.

Course material is available via the learning platform Canvas in the Student Portal.

Registration for the seminars and assignments is made to Course Coordinator no later than four weeks before the examination. The assignments are to be completed and submitted for assessment according to the instructions provided on the course page by the dates specified above.

If you do not intend to complete your studies in the Biomedicine programme, please notify the Admissions Office at [antagning@his.se](mailto:antagning@his.se). Do not forget to include your personal identity number or your student email address.

Contact information Course Coordinator: Homa Tajsharghi, 0500-44 86 12, [homa.tajsharghi@his.se](mailto:homa.tajsharghi@his.se)

The decision is made by the Curriculum Committee for Health Sciences on 18 March 2026 after presentation of Subject Coordinator Anna Benrick.
