Curriculum Committee for Bioscience

Dnr HS 2022/1

## Discontinuation of a course

The course Research Techniques in Cognitive Neuroscience G1F 7.5 credits (KU333G) is phased out and will no longer be offered at the University of Skövde. The course was given the last time autumn 2021.

The course consists of two exam parts: Written assignments 4.5 credits and Essays 3 credits.

The following examinations are offered for students who have not completed the course:

### Written assignments 4.5 credits:

Week 24, 2022-06-17

Week 38, 2022-09-23

Week 48, 2022-12-02

### Essays 3 credits:

Week 24, 2022-06-17

Week 38, 2022-09-23

Week 48, 2022-12-02

Information about both examination components can be ordered from [oskar.macgregor@his.se](mailto:oskar.macgregor@his.se) latest six weeks before the examinations date. The information is then sent to you four weeks before the examination deadline, and is examined according to the provided instructions.

No further opportunities will be offered to retake the course, in addition to the above occasions.

The examiner is Pilleriin Sikka.
