Translation of decision

2024-08-29

Dnr HS 2024/1

Discontinuation of a course

The course NGS Library: Preparation and Quality Control A1F, 5 credits (BV704A) is being phased out and will no longer be offered at the University of Skövde. The course was given for the last time in the autumn of 2023.

The course consists of three examination parts: Supervised written examination 3 credits, Laboratory assignment 1, 1.5 credits and Laboratory assignment 2, 0.5 credits.

The following examinations are offered to students who have not completed the course:

Supervised written examination 3 credits

Week 46 2024

Week 8 2025

Week 18 2025

Laboratory assignment 1, 1.5 credits and Laboratory assignment 2, 0.5 credit

For examinations consisting of laboratory assignment the number of examination opportunities are limited to two occasions. For this course all students have already been offered at least one occasion to pass Laboratory assignment 1 and Laboratory assignment 2 and therefore only one occasion for each of these two examination parts will be offered.

The following occasion for examination is offered for **Laboratory assignment 1, 1.5 credits:**

Week 37, 2025-09-10

The following occasion for examination is offered for **Laboratory assignment 2, 0.5 credit:**

Week 38, 2025-09-21

No further opportunities will be offered to complete the course, in addition to the above occasions.

The examiner is Andreas Tilevik.

Date and time when the supervised written examination takes place will be shown in the scheduling system two months before the examination. TimeEdit is accessed at <https://student.his.se/en/service-and-support/about-examination/registration-examination-rooms/> and [Search examination](#). Please use the course code BV704A.

Registration for the examination should be made to Student Affairs Office, 0500-44 81 00, studentservice@his.se, at least two weeks before the examination date.

Contact the course coordinator for application and information on the laboratory assignment two weeks before respective examination.

Contact information course coordinator: Magnus Fagerlind, 0500-44 86 37, magnus.fagerlind@his.se.

The decision is made by the Curriculum Committee for Bioscience on 29 august 2024 after presentation of Subject Coordinator Niclas Norrström.
