Dnr HS 2025/1

Discontinuation of a course

The course Principles for Privacy, Information and Cyber Security A1N, 7,5 credits (IT753A) is being phased out and will no longer be offered at the University of Skövde. The course was given for the last time in the autumn of 2024.

The course consists of 1 examination: Written assignment 7,5 credits.

The following examinations are offered to students who have not completed the course:

Written assignment 7,5 credits.

Week 15, 2025-04-07

Week 23, 2025-06-05

Week 38, 2025-09-15

No further opportunities will be offered to complete the course, in addition to the above occasions. Students who have not taken any credits at all in the course may find it difficult to complete the final exam and are advised to register for the corresponding course *Principles for Privacy, Information and Cyber Security A1N, 7,5 credits (IT811A)*.

The examiner is Joeri van Laere.

Course material is available via the course management system in Studentportalen.

In order to be able to complete the examination, it is required that you notify the course coordinator for the course of your e-mail address no later than two weeks before the examination.

The written assignment is published on the course page with the deadline no later than 11:59 pm on the date given above. The seminar information is also submitted on the course page.
