Dnr HS 2026/1

Discontinuation of a course

The course Professional Development and Applied Communication in Biomedicine G1F, 7.5 credits (BM307G) is being phased out and will no longer be offered at the University of Skövde. The course was given for the last time in the spring of 2025.

The course consists of four examination parts: Seminar assignments 2.5 credits, Individual assignments 3 credits, Individual assignment 1.5 credits and Group assignment 0.5 credit.

The following examinations are offered to students who have not completed the course:

Seminar assignments 2.5 credits

Week 19-22 2026

For possible planning of additional examination sessions, contact Examiner anna.benrick@his.se no later than week 23 2026.

Individual assignments 3 credits

Week 20 2026

Week 35 2026

Week 42 2026

Individual assignment 1.5 credits

Week 23 2026

Week 36 2026

Week 43 2026

Group assignment 0.5 credit

Week 22 2026

Week 35 2026

Week 37 2026

No further opportunities will be offered to complete the course, in addition to the above occasions.

The Examiner is Anna Benrick.

Course material is available via the learning platform Canvas in the Student Portal.

Registration for the seminar and assignments is made to Course Coordinator no later than four weeks before the examination to gain access to the learning platform. The assignments are to be completed and submitted for assessment according to the instructions provided on the course page by the dates specified above.
