Translation of decision

2026-03-18

Dnr HS 2026/1

Discontinuation of a course

The course Neurobiology and Exercise Physiology G2F, 7.5 credits (BM543G) is being phased out and will no longer be offered at the University of Skövde. The course was given for the last time in the spring of 2025.

The course consists of four examination parts: Individual assignment 1, 1.5 credits; Individual assignment 2, 1.5 credits; Laboratory assignments 3 credits and Seminar assignments 1.5 credits.

The following examinations are offered to students who have not completed the course:

Individual assignment 1, 1.5 credits

Week 21, 2026-05-18

Week 35, 2026-08-24

Week 43, 2026-10-19

Individual assignment 2, 1.5 credits

Week 22, 2026-05-25

Week 35, 2026-08-27

Week 43, 2026-10-22

Laboratory assignments, 3 credits

No additional examination opportunities are offered, as two examination opportunities have already been provided while the course was active.

Seminar assignments, 1.5 credits

Week 20, 2026-05-11

Week 36, 2026-08-31

Week 42, 2026-10-12

No further opportunities will be offered to complete the course, in addition to the above occasions.

The Examiner is Linda Handlin.

Course material is available via the learning platform Canvas in the Student Portal.

Registration for the individual assignments and the seminar assignments must be made to linda.handlin@his.se no later than 14 days before the examination date. The assignments are to be completed and submitted for assessment according to the instructions provided on the course page by the dates specified above.
