Translation of decision

2024-11-28

Dnr HS 2024/1

## Discontinuation of a course

The course Ecology, Nutrient Cycling and Landscape Processes G1F, 7.5 credits (BV313G) is being phased out and will no longer be offered at the University of Skövde. The course was given for the last time in the spring of 2024.

The course consists of four examination parts: Supervised written examination 4 credits, Exercises 1 credit, Seminar assignment 0.5 credit (earlier Seminars 0.5 credit) and Project 2 credits.

The following examinations are offered to students who have not completed the course:

### Supervised written examination 4 credits

The supervised written examination will take place one day during each of the following periods:

2025-05-19–2025-06-08

Last day for registration 2025-05-01

2025-08-01–2025-08-31

Last day for registration 2025-07-15

2025-11-17–2025-12-07

Last day for registration 2025-11-01

### Exercises 1 credit

Week 21, 2025

Week 35, 2025

Week 48, 2025

### Seminar assignment/Seminars 0.5 credit

Week 17, 2025

Week 35, 2025

Week 48, 2025

### Project 2 credits

Week 21, 2025

Week 35, 2025

Week 48, 2025

No further opportunities will be offered to complete the course, in addition to the above occasions.

The examiner is Niclas Norrström.

Date and time when the supervised written examination takes place will be shown in the scheduling system TimeEdit approximately six weeks before the examination. TimeEdit is accessed at <https://student.his.se/en/service-and-support/about-examination/registration-examination-rooms/> and [Search examination](#). Please use the course code BV313G.

Registration for the examination should be made to Student Affairs Office, 0500-44 81 00, [studentservice@his.se](mailto:studentservice@his.se), no later than the dates above.

To participate in the other examination parts, contact [sonja.leidenberger@his.se](mailto:sonja.leidenberger@his.se) no earlier than four weeks and no later than two weeks before the examination date. The assignments are submitted for examination as directed to Sonja Leidenberger.

Contact information course coordinator: Sonja Leidenberger, 0500-44 86 66, [sonja.leidenberger@his.se](mailto:sonja.leidenberger@his.se)

The decision is made by the Curriculum Committee for Bioscience 28 November 2024 after presentation of Subject Coordinator Niclas Norrström.
